Sir,

Angus N. Larabee, (Insane).
S.D.S. File No. 4-3818.

In reply to your letter of the 24th ultimo, I am to advise you that since my letter of the 20th October last the application for patent for the above named entrant's homestead has been received and it has been found that an interchange of entries was not necessary. The application has been accepted as sufficient and the administrator was advised on the 18th ultimo that patent for the land would not be issued in his favour until the indebtedness to the Soldier Settlement Board was paid in full. The estate is now in a position to apply to your Board for the issue of a Vesting Order for the homestead under the Order-in-Council of the 4th June, 1921, (P.C.1871).

Further action will now be taken towards the issue of patent for the soldier grant, the N.½ 34-80-4-W.6th Mer., under the Vesting Order submitted by your Board on the 8th May last.

Your obedient servant,

Acting Commissioner of Dominion Lands.

LAND PATENTS BRANCH,

MEMORANDUM.

The Canadian Pacific Railway Company, on the 26th. March 1913, applied for 14.96 acres of the South-west quarter of section 30, Tp. 9, Range 26, West of the 4th. Meridian required for Station Grounds at Nolan, and shown outlined in pink on the plan beneath.

On the 4th. April, 1913 the Company was notified that the Department would accept a transfer from the homesteader to the Company conveying the land in question, and that the area required would be sold to the Company at a valuation to be placed thereon by a Homestead Inspector.

The Inspector valued the land at $3.00 per acre.

The Company has since filed a transfer from the homesteader covering the land in question, but in view of the recent decision of the Department that, in cases where Railway Companies are called upon to first deal with the entrant for the land required for extra widths, station grounds etc., the land so required shall be sold to the Company at the current rate of $3.00 per acre, I beg to recommend that the Solicitors of the Company be advised why the payment is required, and that they be requested to forward the same to the Department. Upon the receipt of the required payment, viz. 14.96 acres at the rate of $3.00 per acre, the issue of patent can then be proceeded with.

Respectfully submitted,

Ottawa 11th. September 1914

Re Nolan Station Grounds, Your file C-417

Gentlemen,

Referring to your letter of the 26th. March last transmitting tracings in duplicate and transfer,, of the lands required for Nolan Station Grounds in the S.W.¼ of section 30-9-26-W-4th meridian, I beg to say that these plans do not agree with the plan of construction of the Railway filed in this Department as No 7324 and in the Land Titles Office as Ry.8.

I therefore return you one copy of this plan of the Station Grounds, with the request that you will have the proper officer of the Railway Company look into the matter and if necessary file here a corrected copy in order that the patent for these Station Grounds may be proceeded with.

It is quite evident that either these plans or the plan of the constructed line as above quoted is wrong, if it is the latter plan, then all patents for the right of way which have been issued are wrong.

If the plan of the Station Grounds is wrong then it follows that the transfer which you filed here with your letter above quoted is also wrong and in that case it will be necessary to obtain a new transfer from Mr F.A.Peterson, correctly describing the land transferred.

Sir,-

[illegible] ¼ Sec. [illegible] Tp. [illegible] Rge. 19 West 4th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 31st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the [illegible] patent for the quarter section in question, and provided this is the only land for which you have obtained a homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are intending to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA, 26th September, 1923.

Sir,-

S.E. ¼ Sec. 15 Tp. 62 Rge. 11 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

John Alexander Chorney, Esq.,

Your obedient servant,

Acting Commissio

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting to those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Sir,-

S.h. 1 of Sec. 19 Tp. 64 Rge. 20 West 4th. Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who have obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above mentioned, and provided this is the only land for which you have received homestead patent, you are entitled to another homestead, and the application and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for allowing you homestead entry for any vacant and available quarter section of Dominion Lands open for such entry, provided he is aware of no reason as to the contrary.

I may further inform you that the holder of an unperfected pre-emption or purchased homestead entry will not be permitted to stand in the name in his own favour of an application for a pre-emption or homestead entry, but may assign his interest as a pre-emption or homestead.

If you are [illegible] entry for the quarter section mentioned, or have already received patent for same, your application will be [illegible] the validity of this entry.

Sir,

Re N.½-30-18-18-W. 4th M.
Homestead and pre-emption of
Roy William Hart,
Your file #84125 - 6.

I beg to acknowledge receipt of your letter of the 9th instant, in which it is stated that cancellation proceedings were not outstanding against the pre-emption entry for the North West quarter of Section 30, Township 18, Range 18, West of the 4th Meridian when final notice was sent Mr. Hart on the 28th March last.

In reply I am to advise you that as cancellation proceedings were instituted on the 28th March against his homestead entry for the North East quarter of Section 30, therefore, cancellation proceedings are now outstanding against both entries since that date.

When the time allowed under the proceedings has expired, if no defence is filed, kindly refer here before carrying out cancellation.

Your obedient servant,

Secretary.

Memorandum,

Mr. Hume,

N.E.¼ 30-18-18-W. 4th M. (Hd.)
Entry dated - 12th July, 1912.

N.W.¼ 30-18-18-W. 4th M. (Pre)
Entry dated - 24th September, 1914.

Mr. Roy William Hart made application for patent for his homestead 4th April, 1919. The evidence furnished showed the completion of the required residence and cultivation duties. The application is incomplete as the applicant has not furnished his Certificate of Naturalization as a British Subject.

The case was set out in detail 7th March, 1923.

Cancellation proceedings were instituted against both entries 28th March, 1923, in behalf of the Department. The Agent was asked to consult Head Office before taking final action if the entrant did not file a defence within the time allowed by the regulations.

The Agent has now reported that the entrant has not communicated with him within the sixty days allowed and asks what further action is necessary on the proceedings.

On the 2nd February, 1923, Mr. Cuttle furnished the Department with the following report obtained from Homestead Inspector D. E. Wilcox:

"There was no crop on this land in 1922, and
"Mr. Hart left this district about two years
"ago. He said he was going to hunt work. No
"one seems to know his present address."

Mr. Cuttle recommended that final notice be issued in this case.

Please advise whether in view of Mr. Cuttle's recommendation and in view of the entrant's failure to defend his entry against cancellation proceedings as required by the regulations the Agent should be instructed to cancel both entries notwithstanding the completion of the settlement duties required by the terms of a homestead entry.

If cancellation.....

If cancellation is carried out the land should be reserved pending an inspection thereof as to quality and character.

The half-section is in area "B".

Re: Account of Roy Wm. Hart
N.½ 30-18-18-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $62.50 were advanced to Roy Wm. Hart on the security of the above mentioned land. A payment of $10.00 was received in 1926 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 61.36	$ 110.17	$ 171.53

The N.E. & N.W. 30-18-18-W4 were formerly the homestead and pre-emption entries of the debtor whose entries were cancelled on the 27th of June 1923, and the land is still unalienated Crown Land held in the right of the Province.

The land is described as very rolling and lots of rocks and is only fit for grazing purposes.

This half section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. ~~As such the land no longer being operated.~~ As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

C.W. Gilchrist.

DECLARATION OF ABANDONMENT

In the Matter of the East and West of Section [illegible]

I, William Clarence Rundell

of [illegible] Province of Manitoba

do solemnly declare:

That I made entry for the above-mentioned land at Winnipeg

at the Dominion Lands Office at [illegible] on

the [illegible] day of [illegible] 1913 29632/04

I find that I cannot have
the money to fulfil
the conditions of entry. I might do
it but I was in doubt about it
when I filed. I am over forty
years of age and have a wife and
family to keep up. At the present
here and nothing. I have an

want it.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

re N.W. 32-13-11-4. 4th M.

I beg to inform you that Mr. Patrick O'Connell of Everett, Washington, U.S.A., advises that liens for $160.80, $13.50 and $13.50, respectively, wrongfully cloud the title to the above described land, and to say the records here show that these liens were given by Mr. Patrick O'Connell in connection with the S.E. 7-30-1-4. 4th M., and should not cloud the title to the first above described land.

You will recall that you are indebted to this Department for a considerable account, part of which has been outstanding since 1915, for advances of seed grain, fodder and relief. It is considered that before purchasing more land, you should at least have considerably reduced your indebtedness to this Department. Dear Sir,

Re: L.S. 31-54-9-W.5th M.
Clark Lyell.
Your No. - 15177.

I have your letter of the 17th ultimo and in reply I am to state that according to our records Patent for the above described quarter-section issued the 1st October, 1913, in favour of Clark Lyell of Lyalta, Alberta.

It would appear that Miss O'Donnell never held this land under entry.

After a thorough search through our records I regret to state that I am unable to locate any parcel of land the said person may have acquired in the vicinity of the L.S. 31-54-9-W.5th M., and, therefore, am unable to furnish the information desired by you.

If you will now furnish me with a proper description of this man's homestead entry by section, part of section, township, range and meridian further search will be made and you will be duly communicated with.

Yours very truly,

Re: Account of Patrick O'Donnell,
S.E. 7-30-1-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 seed grain, fodder and relief amounting to $439.80 were advanced to Patrick O'Donnell on the security of the above mentioned land. Payments of $25.00, $1.60 and $1.20 were received in 1924, 1928 and 1929, respectively, and applied to the principal and interest. The present standing of this account is;-

Principal	Interest	Total
$ 422.30	$ 841.31	$ 1,263.61

Patent was issued in the name of Patrick O'Donnell for the S.E. 7-30-1-W.4th on the 24th of April, 1917, subject to the 1915 liens. The N.E. 7-30-1-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows;-

"The North East quarter is unalienated Crown land while title to the South East quarter is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under cultivation lease as issued by this Department and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

213, 12th Ave. N. W.,
Calgary, Alberta, February 14th, 1922.

Sir:

Re the N. W. of 4-23-1, West 4th Mer.

By referring to the papers relating to the above mentioned land it will be noted that this quarter section was the Pre-emption of my husband, F. A. Lamb, who deserted me a considerable time ago. In view of the fact that the Department considered me entitled to receive Homestead Entry for the N. E. quarter of this section but could not give me Pre-emption Entry to the N. W. quarter, I believe that in all fairness the Department should permit me to purchase this quarter section at the same rate as if it was sold to me as a Pre-emption, namely $3.00 per acre.

Investigation will show that since my husband left me I have cultivated portions of both the N. E. and N. W. quarters in order to try and support myself and child.

Trusting that this appeal will receive consideration at the hands of the Department, which I think it deserves.

An early and favourable reply will be appreciated.

Yours truly,

The Secretary,
Department of the Interior,
Ottawa.

- - -

equally divided between the homestead and pre-emption quarter sections.

Briefly stated, pre-emption rights are to lease or obtain a title to a primary source Mrs. Lamb's application for the pre-emption quarter was refused. It is, however, a question of policy whether the relief should not be afforded, particularly where the land is only of medium quality. The Inspector's report of the 1st September last, gives only 4 acres fit for cultivation on the homestead, which supports Mrs. Lamb's claim regarding the quality of the land.

I consider that the Department should take some pains to see that every bona fide settler has enough land to make a living on. Even if the pre-emption privilege is abolished by law, the Minister has full power to sell a quarter section with or without settlement duties, after examination by a competent inspector.

There are one or two cases where deserted women were allowed to get their cancelled pre-emptions on practically the same terms as a pre-emption entry.

Generally this matter will have to stand over until a definite policy is settled upon with regard to the disposal of land generally. The pre-emption quarter section is reserved pending a decision of this kind.

I recommend a further inspection to show in detail the nature of these two quarter sections, with valuation of the cancelled pre-emption, so that the Department may be in a position to consider a sale to Mrs. Lamb.

Respectfully submitted.

DEPARTMENT OF THE INTERIOR
CANADA

OTTAWA. 27th February, 1922.

MEMORANDUM:-

Mrs. Alice M. Lamb (deserted) has been allowed to purchase in her own name the quarter section formerly held by her husband as a homestead. She claims that she should have her husband's pre-emption as well because the half section is of poor quality, the homestead containing only sixty acres of farming land and the pre-emption about the same area.

A. Lamb made his homestead and pre-emption entries in 1913. Complaint having been made that he had deserted his wife, a homestead inspector's report was obtained which will be found summarized in the departmental memo of the 31st August, 1920, marked. Lamb had put in three six-months terms in 1913, 1917 and 1919, and had a house, barn and fencing also 40 acres broken.

Lamb was given thirty days formal notice to apply for patent for his homestead and produce residence on his pre-emption. In default, his entries were cancelled and Mrs. Lamb secured entry for the homestead quarter on the 4th November last.

She (?) states that Mrs. Lamb [illegible] in residence for six months from 1919, and farmed the land, but evidently was [illegible] in 1920 or 1921. [illegible] in departmental memo, 8th October last. She has, however, [illegible] with a farmer in the vicinity. She is the child [illegible] years old.
